TOOLS REQUIRED

None

IMPORTANT

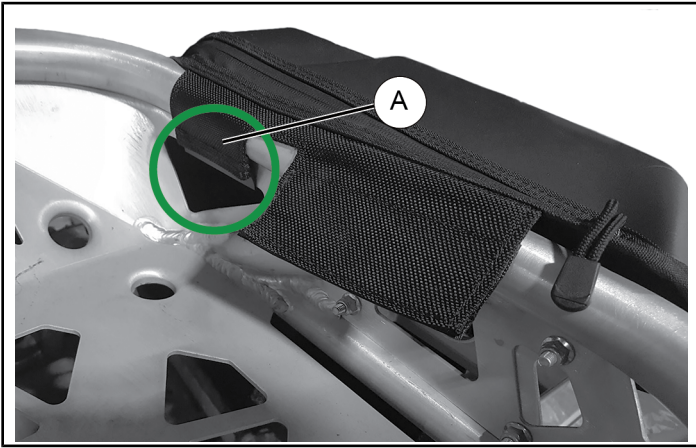

Your SOFT SADDLEBAG KIT is exclusively designed for your vehicle. Please read the installation instructions thoroughly before beginning. Installation is easier if the vehicle is clean and free of debris. For your safety, and to ensure a satisfactory installation, perform all installation steps correctly in the sequence shown.

ASSEMBLY TIME

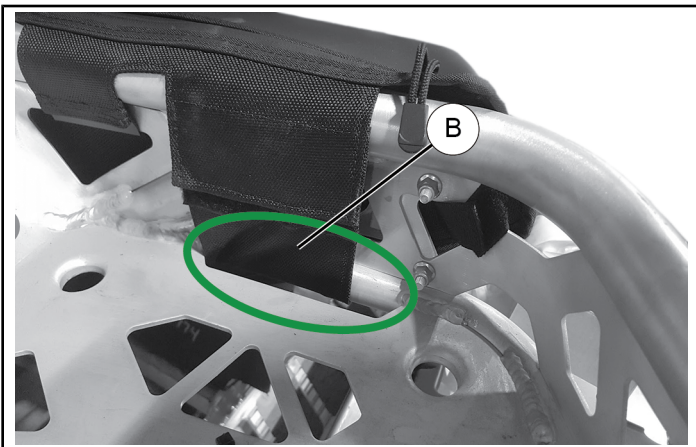

Approximately 12 minutes

INSTALLATION INSTRUCTIONS

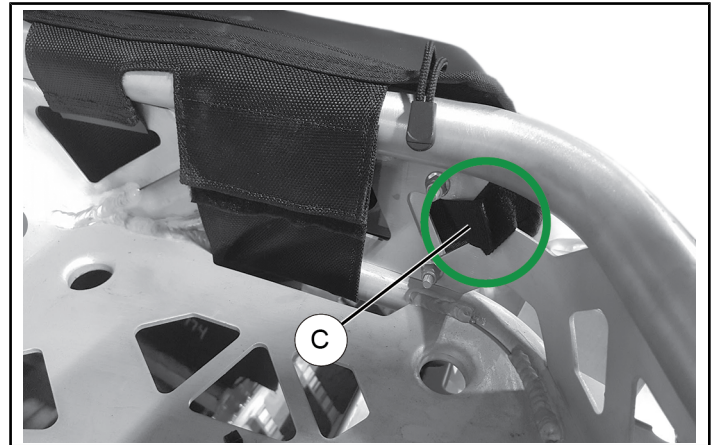

1. Undo all of the hook and loop fastener panels on the bag.
2. Install front J-Channel hook (A) into opening indicated below.

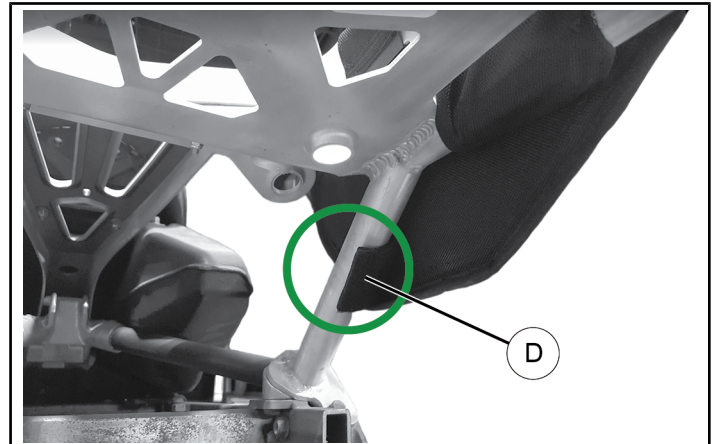

3. Insert main strap (B) thru the opening shown and firmly press both parts of the main strap hook and loop fastener panels together to secure in place.

4. Secure rear strap (C) into the location shown.

5. Secure lower front strap (D) into the location shown.

6. Check to ensure all straps are secure.
7. Repeat the above steps for the opposite side.

FEEDBACK FORM

A feedback form has been created for the installer to provide any comments, questions or concerns about the installation instructions. The form is viewable on mobile devices by scanning the QR code or by clicking [HERE](#) if viewing on a PC.
